

MOTOR OIL

10W-60

EUROPEAN PREMIUM

A high performance motor oil designed for everyday use to provide superior cold start behavior in extreme cold climate conditions and exceptional wear protection under high stress and heat conditions experienced by today's premium high performance engines.

Specific to: **vehicles requiring 10W-60 Motor Oil**
CHECK OWNER'S MANUAL FOR PROPER APPLICATION

Beck/Arnley Premium OE Quality Fully Synthetic Motor Oil 10W-60 features the same lubricant technology that OEMs use as factory fill, and meets or exceeds OE-Specific requirements for ACEA A3/B4 and API SM/CF and all preceding API and ACEA motor oil specifications.

Use Beck/Arnley Premium OE Quality Fully Synthetic Motor Oil 10W-60 where a unique all-season motor oil blended specifically for high performance European engines is required.
